Garrett is amazing. Not only is he always available, he is a wealth of information and is able to explain anything clearly. I referred my sister to him and would recommend him to anyone. I would give Garrett and Secure Medicare Solutions a six-star rating if I could!

I am so happy to review this company and Garrett Ball, the President. He has helped me through the confusing maze of Medicare, Supplements, and Advantage plans and the plans I am on now have been outstanding. Do not hesitate to contact Garrett Ball. You will not be disappointed. Response time is within 24 hrs., and always with thorough information to help his customers. Even when I have not contacted him for many months, he seems to remember and respond like it was yesterday. Great customer service seems to be hard to find these days, that is why I am so impressed with Secure Medicare Solutions. You will truly find a solution to any of your questions or problems.

My daughter recommended this company to me when I was looking for a Medicare supplement plan after being very disappointed in the Advantage plan. Garrett has been extremely helpful in getting me the very best price for a plan that fits my needs. Thank you, Garrett, us Seniors need to save money where we can while still being covered with complete Medicare coverage.
